

Hello everyone! My name is Mrs. Krull, and I have been working with EDS since the fall of 2016. I obtained a Bachelor's Degree in Education from West Liberty University, and currently hold a PA Elementary Certification for grades pre-k to fourth. I fell in love with teaching at a very young age, and as the years went on, I knew this was what I was meant to do. I have gained teaching experience by substituting in several elementary schools. I adore teaching and find joy in watching children grow and learn.

My family and friends are the most important people in my life and mean the absolute world to me. My husband and I have two dogs that we rescued from a local humane society named Roxie and Duke. My dogs are without a doubt "my babies".

In my free time I love being outside playing with the dogs or going for walks around the neighborhood. I also enjoy spending time with family and friends, shopping, and baking!

I am beyond excited to see what this school year has in store, and cannot wait to make new memories! I am looking forward to meeting everyone!
